

Young Men's Suits

An exceedingly large and choice assortment of the finest chevots, worsteds, thibets, tweeds and serges shown for the season of 1906. Both single and double breasted styles. Neat checks, stripes and invisible plaid effects, also plain colors.

\$5.00 to \$15.00

Also

Young men's finest overcoats in all shades of gray and fancy mixtures.

New form-fitting back. \$5 to \$20

We carry one of the largest stocks of boys' and young men's clothing in this vicinity. It represents a greater variety of styles and patterns than you can find if you were to travel miles.

Why is this? If we were not able to satisfy customers, if we did not have the goods they were looking for, they would go elsewhere. Every time a merchant loses a sale he makes a good customer for one of his competitors.

This is reason enough for our putting forth the utmost efforts to keep a stock of the most up-to-date clothing as regards style, quality and correct sizes.

Isn't it reasonable to expect that you can do better in buying of us than elsewhere?

FOLEY'S HONEY AND TAR

Wins the cough and heals the lungs

Result of Neglect
In most cases consumption results from a neglected or improperly treated cold. Foley's Honey and Tar cures the most obstinate coughs and prevents serious results. It costs you no more than the unknown preparations and "cu should insist upon having the genuine in the yellow package. A. P. Owens.

Worth Seeing

Comedies in which are injected the knockout gymnastics and horse play of the vaudeville stage have been relegated to oblivion and the tastes of amusement seekers are whetted for something more substantial and palatable. The coming of Mr. Edward R. Salter's newest musical Comique, entitled "Ikey and Abey" which will be seen here for the first time at the opera house on October 25, will be a welcome surprise indeed. It is one of those bright things that are actually contagious, and many of the catchy airs will be whistled long after the show has left town. A large and handsomely gowned chorus is one of the pleasing features.

Chieftain wants are little pilots that steer big things into business. Try one; only one cent a word.
